About This Game

Meet Nyla. A 13 year old girl who is moving house.
However the old house looks to have other ideas.
Now work you way though your house to try an escape.
But which of the 6 endings will you get?

Will you wake up to your normal life, or will you be met with a new life?
Or will you be trapped forever?
Your actions will decide your fate.

It was very simple and straightforward. The library puzzle hints were not that clear, and there're some minor bugs that needs to be fixed.

But besides of that, I liked it!

Recommended to those who want a short and straightforward "not-that-scary" experience.. pretty good game
