A screenshot of a web browser displaying the Porting Kit website. The browser's address bar shows "portingkit.com". The website has a dark blue theme. On the left, there are user profiles for "paulthetal" (Administrator, Porter, 50 posts) and "vitormm" (Developer, Administrator, Expert Porter, 275 posts). The main content area features a video player titled "C&C RED ALERT (ID: 201)" with a "Red Alert Trailer" video. An "Error" dialog box is overlaid on the video, stating "Access denied." Below the video are "INSTALLIERE" and "MEHR" buttons. To the right of the video, there are sections for "Quellen:" (Sources) and "Bewertungen:" (Reviews) for ATI/AMD, NVIDIA (3 stars), Intel Iris, and Intel HD. A "HIER BEWERTEN" button is also present. Below the video player, there is a text block with instructions: "This WSI file will create a Wrapper and download + install Red Alert into that Wrapper. Click 'Install' to download and create the Wrapper. For questions and help check the FAQ/ Help tab in the Portingkit. Even multiplayer works!" followed by a "Game Description" and "Requirements" section. The requirements list: "- The free Porting Kit app" and "- A fun Button / USB mouse with scrollwheel (recommended)". At the bottom of the page, there is a breadcrumb trail: "PORTING COMMUNITY > Porting Center/Kit" and a "Abbrechen" button.
